\$30,000

John E. Frenkel, Sr. Educational Grants Program for 2021-2022

The Pensacola Interstate Fair, Inc. is dedicated to the betterment of the community through education. For many years it generously provided unrestricted educational funds to the Pensacola Junior College and to the University of West Florida. During 1983-84 a special grants program was initiated. These grants were restricted to members of Future Farmers of America, 4-H Clubs and Future Homemakers of America who were graduating high school seniors and who, during their senior years, had been actively involved in the presentation of exhibits, projects and displays during the Fair. It was a sincere attempt to reward those who had contributed so much to the success of the Fair each year and who wished to continue their educational experiences with the assistance and encouragement of the Pensacola Interstate Fair. The program was well received and several young men and women were able to complete their first year of college as the first Interstate Fair Educational Grants Recipients.

1984-85 marked the 50th year of the Pensacola Interstate Fair, Inc. which had grown from its humble beginnings in 1935 to a position of prominence and importance through-out the United States.

To properly celebrate this Golden Anniversary event, the members of the Pensacola Interstate Fair, Inc., through the approval of its Board of Directors, substantially increased funds providing for a large number of grants available for 1984-85, broadened the base to include students heretofore ineligible to apply and created several new categories to assist students pursuing undergraduate and graduate programs at Pensacola Junior College and at the University of West Florida.

As a special and most appropriate tribute to the Founder, former General Manager and late Chairman of the Board of Directors, the additional funding was used to establish the

JOHN E. FRENKEL, SR. - Educational Grants Program

in honor of his lifelong dedication to education, his outstanding contributions to our community and his many years of devotion and leadership to the Pensacola Interstate Fair, Inc.

The Pensacola Interstate Fair, Inc. is pleased to continue these important programs, and fully endorses the proposal to increase funding for educational programs for 2021-2022. The additional funding, broadened eligibility requirements and expanded categories, will encourage scholars within the community to apply for assistance towards the realization of individual educational goals. To date, over one million one hundred ninety-one thousand (\$1,191,000) dollars have been awarded to more than one thousand two hundred fifty-two (1,252) grant participants.

For 2021-2022, the John E. Frenkel, Sr. Educational Grants Selection Committee has been authorized by the members of the Pensacola Interstate Fair, Inc., to provide Thirty Thousand dollars (\$30,000). These monies will assist thirty (30) students in the completion of their studies at a college or university of their choice.

HIGH SCHOOL GRANT APPLICATIONS

All grants will be allocated to graduating High School Seniors of Escambia and Santa Rosa counties who, during their high school years, have been competing entrants in the areas listed in the Fair Premium Catalog, or volunteers with at least ten (10) documented hours of assistance as designated by Fair staff. All grants are for One Thousand (\$1,000) Dollars each, made payable to any accredited college.

**Pensacola Interstate Fair Continues to Provide
The Pensacola State College Foundation Two Thousand
(\$2,000) Dollars Per Year for Endowed Scholarships**

In 1997, at the recommendation of John E. Frenkel, Jr., General Manager of the Pensacola Interstate Fair, students at Pensacola Junior College were given more scholarship opportunities as the Board of Directors unanimously approved a Ten Thousand (\$10,000) Dollar gift. This Ten Thousand Dollars, when matched by the State of Florida, is providing four (4) endowed scholarships of Five Hundred (\$500) Dollars each. The scholarships began in 1997 and will continue "in perpetuity".

Combined with the Thirty Thousand (\$30,000) Dollars under the John E. Frenkel, Sr. Educational Grants Program, a total of Thirty-Two Thousand (\$32,000) Dollars will be available for financial aid to students during the 2020-2021 college year. The Pensacola Interstate Fair is proud to continue in providing educational opportunities in our community.
