

SCHOOL ART EXHIBITION

**** WE ARE LOCATED IN BUILDING NO. 2 ****

ACHIEVEMENT THROUGH THE VISUAL ARTS

*Sponsored by
The Escambia and Santa Rosa School Districts*

The School Visual Art Exhibit comes to the Pensacola Interstate Fair to emphasize the importance of artistic expressions by students. The wide variety of art forms in the exhibit helps fair attendees grasp the depth and breadth of the visual arts programs in our two local public school systems. Teachers in all areas of the curriculum are discovering that the Arts can be integrated in to all subject areas and that the skills learned through art lead to success in college and the work force.

Students in the two counties who participate in the Fair in any way are eligible to apply for Fair scholarships. Entering the Fair's School Visual Art Exhibit is one of the gateways for high school seniors to become eligible to apply for this valuable college funding source.
