The Pensacola Historical & Treasure Hunters Association Inc. is a nonprofit, state chartered organization. Our club was formed in 1986 to bring together a group of people who enjoy the hobby of treasure hunting with metal detectors on land and water.

We are a civic-minded organization: We provide services to the community, support charitable organizations through fund raising events, and assist law enforcement agencies in the recovery of evidence.

We display for your enjoyment a wide variety of items that have been found by the members of our club while treasure hunting with metal detectors. For more information about the club and its activities, please stop by our display.
