

## Earn community service hours and become eligible to apply for a scholarship!!!!!!

Each year we give \$25,000 in scholarships to outstanding students in our area who have participated in our Fair in some way over the years. By participating in this program **with a minimum of 10 hours**, your students will be eligible to apply for a scholarship because they will have participated in our Fair. They will also receive community service hours for their service in this program.

**Who can volunteer?** Any High School Student

**How do I sign up?** We now have an online sign up system. Visit [volunteersignup.org/4393E](http://volunteersignup.org/4393E) and sign up for the shifts you would like to work. There are a limited amount of shifts available and all shifts are filled on a first come first served basis. **Please DO NOT sign up for shifts that you do not intend to work.** We DO expect for you to work for the entirety of your shifts. It will require for you to interact with the public and invite them to complete different activities within the barn. **We need for our volunteers to be friendly and engaging to the public!!!!!!**

**Do I have to do the entire ten hours in one year?**

No. It is best if you start accumulating hours **BEFORE** your senior year. We keep track of who volunteers each year and as long as you accumulate ten hours during your high school years, you will be eligible to apply for a scholarship.

Admission will be paid for those participating. Participating students may come early or stay late to enjoy the Fair before or after their shift. Shifts are set up in 3-5 hour increments. You are welcome to sign up for as many shifts as you would like but please only sign up for shifts that you intend to work. If you sign up for a shift and your plans change, please let us know so we can remove you from that shift so someone else can take it.

If you have any further questions, please contact Natalee Brooks at 850-944-4500 or [nataleefb@cox.net](mailto:nataleefb@cox.net).

**\*\*\*\*\*It is common for shifts to fill up so do not wait to sign up online!**

**Please note:**

- Admission for workers will be covered by the Pensacola Interstate Fair.
- We request that students not use cell phones, Ipods or MP3 players during their shift.

An information sheet with details of what is expected will be emailed to the email address listed on your registration.
